**Unit 8, Millenia Business Park
Thornes Road
Wakefield, WF2 8PW**

We will be open for business at our new location, late summer. We now have a huge 2000sq ft of space to bring you more fantastic offers and some of the best fireworks and deals in Yorkshire.

We are also expanding to bring you a big range of over 100 Fancy Dress costumes for both Halloween and all year round. We'll also be stocking a big range of wigs and costume accessories plus a big selection of accessories for sale. This will compliment our fireworks to make our new premises the "must visit" party centre of Wakefield.

As you can see, we're not moving far. As we're now in an industrial estate, we lose a bit of the roadside presence, but the increased size allows us to offer a bigger range of fireworks and now a huge range of fancy dress costumes and accessories.
